

5 May 2016

Dear Parents,

Our PSG is organising a sharing session, Coffee Talk on Saturday, 14 May 2016 at Sembawang Secondary School, SDC Room, from 9.00am to 11.00am.

The title for the Coffee Talk is “Family Structures & Parenting”. The discussion will be focussing on marriage relationship and family structure that could lead to either negative or positive parenting. Four of our PSG members will be sharing briefly their experiences and through this interactive session we hope to take away some learning points on positive parenting.

We hope you can join us and contribute to the collective wisdom of parenting for all of us to benefit.

We appreciate your response for the Coffee Talk session and to confirm your attendance (whether you are coming or not). Please click on through the google form link below and register your responses. Thank You.
